## **ED PELTZ**

1951-2009

Ed Peltz was a Special Education teacher, Principal, administrator and Athletic Director with the Port Huron Area School District for 34 years. He was also a beloved Boys Varsity Basketball coach at Port Huron High as well as a Girls Varsity Basketball coach at Port Huron Northern.

Ed's contributions to the school district and the community are greatly missed. It is our honor to name this annual holiday tournament in his memory.
